

# Transport Stretcher

## Easy patient transport

Stryker's Transport Stretcher features fifth wheel mobility for easier traction and cornering, and central-locking brakes for optimum stability.

**Fifth wheel mobility**  
Retractable fifth wheel provides improved mobility.

**Braking system**  
Metal braking system provides stability.

**Fold-down siderails**  
Fold-down siderails help ensure patient safety.

Option of **four-sided brake and steer controls** offer caregivers flexibility.

Optional **knee gatch** provides added patient comfort.

**Multiple bumper colour options** offers an opportunity to customise the stretcher for identification purposes.

Navy    Grey    Red

# Transport Stretcher
